

Summer 2006 at Hanover Park and Recreation

The Park and Recreation Committee are proud to announce some exciting changes to the popular Park and Rec Summer Program at B. Everett Hall Field. Thanks to the cooperation of the Hanover School Department, the Park and Rec program will now be rain or shine with the use of Center School. We have also extended the program from 9:00 AM to 2:00 PM.

In order to provide a safe and fun program experience we have split the six week program up into two three week programs. This will provide for greater accountability and control over the numbers of children attending the program. Four hundred and fifty youngsters took part in the program last summer. This year we will need to limit enrollment to 250-300 children per session ages six to thirteen. The cost of the program has increased but family discounts have continued. Field trips, entertainment, t-shirts and program based dramatics and arts and crafts will be part of the tuition, no extra charges.

The Park and Recreation will pride itself on bringing together an experienced and fun staff with a wide variety of backgrounds. We will be strengthening and structuring the Counselor in Training (CIT's) for students aged 14 and 15 program to provide a stronger core of young adults to make your child's summer truly enjoyable. Each child will be assigned a counselor and groups will be programmed by age with the traditional Park and Rec sports and free play. Taking of attendance at the site will be paramount and detailed drop off and pick up policies will be established.

Park and Rec – Summer 2006 Dates

Session 1 Monday, July 10 – Friday, July 28

Session 2 Monday, August 1 – Friday, August 18

Program Hours: 9:00 AM to 2:00 PM. Program will run rain or shine with the use of Center School for inclement weather. Field trips will be part of the program hours.
